

Summit Church Update:

August 8, 2020

Hello! We are so excited to start meeting again in person this Sunday at 10 am.

As we come back, we want to ensure that everyone feels welcome and comfortable while also following the Covid-19 requirements for public gatherings that both our county and city have given. Please take a couple minutes to review some of the adjustments we are making to our service:

- Hand sanitizer will be available throughout our worship center and student center and we encourage everyone to use it as needed.
- Our chairs will be spaced out to allow for social distancing between families.
- We encourage non-touch greeting.
- We will be disinfecting high-touch areas and cleaning both the worship center and student center before and after services.
- We are asking everyone to please wear a mask while inside the worship center and student center. There are a few exceptions:
 - Children ages 5 and under
 - Those with medical conditions that would prohibit the use of masks
 - Those ministering on-stage while they are on the platform
- If you or someone in your family is not feeling well or has any type of fever, we encourage you to worship with us online through our live video stream.

On a personal note, our heart is that this Sunday's service will not become about masks or politics or anything else besides lifting high the name of Jesus! Thank you for praying with us for the Holy Spirit to unite us all under the banner of His love.

Finally, we just have to mention that we are so excited to start a new series through the book of Daniel this Sunday. If you have been feeling stuck, frustrated, worried about the future or just having some crazy dreams, then the book of Daniel is just what you need! We look forward to being with you either in-person or online.

We love you and are praying for you!

Sincerely,

Pastors Jeremy and Catie Naranjo
